Be Loved

Experiencing the Power
of God's Blessing in Your Life

By Ed Tandy McGlasson

Are you living in the Smile of the God?

There's a struggle that almost every man and woman faces in their lives: trying to earn God's approval and love. In fact, it's a never-ending battle until you learn the secret from which Jesus lived His life. He not only came to give us a new beginning but also to bring us the same blessing and smile that His Father gave to Him.

In his follow up book to *The Difference a Father Makes*, best-selling author Ed Tandy McGlasson guides readers on a journey to a place of living under the smile of God. Ed shows how when we live under the power of God's blessing in our lives, our worlds are turned upside down. The way you relate to God, your family and your friends will forever change.
