Interest in the Paranormal is at an all time high. Is it harmless fascination... or something more sinister at work? Following the success of family-friendly suspense/thriller *The Exorcism of Emily Rose* (Sony Pictures), comes a riveting supernatural thriller in the vein of the hit SyFy television series, *Ghost Hunters* and Frank Peretti's *House* (Roadside Attractions/Lionsgate).

Paranormal follows best-selling, self-made novelist Greg Evans struggling through the worst case of writer's block in his award-winning career. In a desperate search for inspiration, Greg quickly finds himself immersed in a world he is not prepared to face.

Turning to a group of paranormal investigators, Greg and the ghost hunting team search for proof and answers, yet are unaware they are about to have an experience of a lifetime! None will leave the way they came. **Paranormal** will peel back the supernatural curtain to reveal how the **TRUTH will EXPOSE the darkness!** Includes Free Bible Study - PDF download. www.ParanormalTheMovie.com
