

Heaven's Gym is an in-home workout experience that provides inspiration to achieve your fitness goals by walking daily in dependence, truth and obedience.

The Word of **God** is used to inspire each workout, providing all you need to take it to the limit physically and spiritually. Each DVD is approximately 50 minutes in length.

Each day provides a new spiritual principle to help you:

- Tone & Tighten Trouble Areas
- Overcome your Fears Through God's Word
- Improve Stamina and Endurance
- Become a Better Steward of your Body, the Temple of God
- Increase Flexibility
- Discover Inner Peace and Strength

Heaven's Gym will be coming to Christian bookstores nationwide, February 16, 2010. Check often with <http://heavensgym.com/index.html> for updates, testimonials, and news.
