**CUTBACK** High School senior Luke Harris dreams of just one thing... pro surfing. Luke and his best friend Casey have two goals: surf and party! But Luke's Mom and Dad have other ideas: pick a college and grow up! When Luke learns that a spot is opening up on the local surf team, he sees his big chance to prove to his parents that he can make it as a surfer and avoid being shipped off to school. Only two things stand in Luke's way: new-surfer-in-town Matt who has his own eyes set on the surf team opening, and his Dad, who insists he give up his surfing dreams and get an education. When a devastating tragedy strikes, Luke is forced to take a hard look at his life and with the help of beautiful "church-girl" Emily and his Youth Pastor, he learns that there's much more to life than riding waves.

"The acting is top notch, the screen play is exceptional, and it is pulled together with an excellent soundtrack along with several scenes of surfing cinematography to die for. An awesome experience on many different levels with a natural Christian message to boot. Yes I really did like this film!"
