A MILE IN HIS SHOES Presented by artist Thomas Kinkade

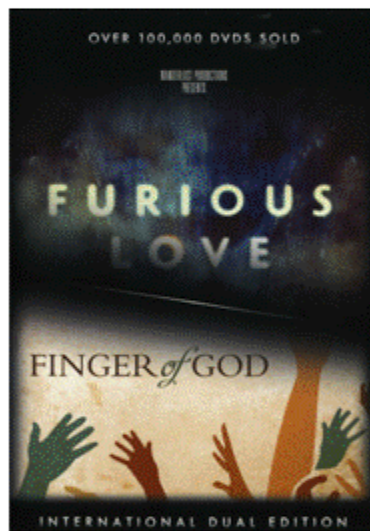

\$14.93 UPC 883476062129

91 minutes / Widescreen / Dolby Digital 5.1 / Dove Approved All Ages

Based on the book "The Legend of Mickey Tussler", this film follows the story of eighteen-year-old Mickey Tussler, who lives on a farm with his father and mother and who has Asperger's Syndrome, a form of autism. But he can throw apples at an amazing speed. When a chance meeting occurs with the baseball manager of the semi-pro team the River Rats, from Clayton, Ohio, Mickey gets a chance to pitch for the team and to prove to his father he can do more than live hidden away on the family farm, taking care of his pig Oscar.

"This is one of the best movies I have seen in a while! This story is dramatic, inspirational, and wholesome all at the same time. It is a story of faith, of honoring God, and doing one's best with one's God-given talents. Dean Cain is perfect for his role as the strong but caring coach, and Luke Schroder handles the autistic Mickey adeptly. Here we go again, five Doves! This movie earns our Dove "Family-Approved" Seal for all ages. Watch it soon with your family." -**THE DOVE FOUNDATION (Five Doves!)**

Harvest is a prodigal son story set on a dairy farm in Canada. Both faith and the church are integral parts of the plot. At the end of the story, the church held a modern day "barn raising" to install a new power line to the farm. The prodigal son, Jacob Hansen (Ted Shackelford) left his fiancé, Maddy (Rebecca Jenkins), at the altar and abandoned the farm he was next in line to inherit. After 20 years of troubles, Jacob returned to find his brother, Dan (Ron White), married to Maddy and running the farm. Dan resented Jacob's presence while Jacob was greeted by his loving father. The brothers found peace from the family problems by love, grace, and the help of their church. 94 minutes / Not Rated
